NEWS RELEASE

The Quincy-Columbia Basin Irrigation District has scheduled final dates for the 2016 irrigation season.

Monday, October 24th, 2016 will be the last date for water **delivery changes**.

Tuesday, October 25th, 2016 will be the **last full day of water delivery**.

Wednesday, October 26th, 2016 will be the **turn-off** date for water at the head of the West Canal.

This will mark an end to the 2016 irrigation season. Quincy District water users having questions regarding this shutdown schedule should contact their Ditchrider or their area Watermaster.
